Welcome to Cedar Hill

Cedar Hill offers scenic rolling hills and breathtaking views, upscale residential and retail development, and close proximity to Dallas and Fort Worth. Its growth and central location has made it the region's premier destination for shopping, dining and recreation.

You may enjoy the relaxed charm of the unique shopping and dining venues in Historic Downtown and Uptown Village at Cedar Hill, or choose from the many retail and restaurant areas of the fast-growing Uptown district.

Although Cedar Hill's population is approximately 46,300, careful planning has preserved its "small town feel" and wholesome values while welcoming development. And because of a commitment to maintain the highest standards, the City of Cedar Hill has created a network of services for its many visitors and residents.

If recreation is your pleasure take advantage of Cedar Hill State Park at Joe Pool Lake or some 25 other parks located throughout the area with amenities that include a swimming pool, softball fields, soccer fields, football fields, playgrounds, hiking trails, bike trails, and an outdoor amphitheater. The Cedar Hill Recreation Center offers state-of-the-art fitness and weight equipment, an indoor running track, gym, youth center, child care, kitchen, and meeting rooms. Visitors pay a daily fee. Plus, next year we will open the Audubon Center at Dogwood Canyon.

Cedar Hill celebrates numerous special events throughout the year including Country Day on the Hill, Old Town Holiday on the Hill, Arts Fair on the Square, the Great North Texas Kids Festival, Music in the Park, Juneteenth, Small Town Saturday Night, Head for the Hills Bike Rally, fishing events for children, sports tournaments and more.

We hope you enjoy your visit to our lovely city. Come back soon!

Sincerely,

Mayor Rob Franke
